**INTERNATIONAL CALL FOR IDEAS EXPO 2023
COMPETITION No. 2 “MINI-STADIUM AND INTERNATIONAL PAVILION”**

CIRCULAR WITHOUT CONSULTATION No. 1

The Advisory Board announces that the deadline for the delivery of proposals for this competition is extended to **8 August 2019**.

Additionally, a 2nd Consultation Round is opened with the following term:

- *Questions received by 19 July will be answered on 25 July.*

QUESTION 2 – AFTER DEADLINE

2- Is the adjacent space designated as "Trade Show Annex" (2355m², no photographs provided) part of the area for intervention in the international pavilion?

Answer 2: The sectors for intervention are those specified in the terms and conditions, and indicated in the plan and in the photo annexes.

3- Is the office area on the margins of the mini-stadium of the first and second floors to be intervened?

Answer 3: The abovementioned area, located under the mini-stadium cover, is part of the sectors for potential intervention.

4- In the Presentation and Submission Conditions, what does the lot distribution diagram refer to in the Legacy stage of building 1A?

Answer 4: In the "Legacy" stage, building 1A will be a venue for trade shows, therefore, the lot project should reflect the activity to be conducted in that stage.
