**INTERNATIONAL COMPETITION OF IDEAS EXPO 2023
COMPETITION N° 2 “MINI STADIUM AND INTERNATIONAL PAVILION”**

Consultation Round as of 06-18-19

QUESTION N° 1

Is it necessary to connect the mini stadium and the international pavilion by a covered surface? Can the reconfiguration of the existing connection be left as a semi-covered space or even an exterior space?

ANSWER 1

The connection between the two buildings motive of this competition can be covered or semi-covered.
